

Technical instructions for preparing a scientific poster

Size: B1 size (w: 70cm x h: 100cm - portrait format).

Resolution: 300 dpi

Format: pdf (maximum size 500MB)

Language: Slovenian or English

The posters should provide clarity of information on the topics listed below in a visually appropriate and comprehensible way.

Readability must be ensured at a distance of 2 metres.

The use of visual elements is encouraged.

We suggest the following points of reference for the content:

- Title
- Author(s), Mentor(s), Organisation(s)
- Keywords
- Introduction
- Objectives
- Methods/experiment/testing,
